

**POSITION VACANT**

## HEAVY VEHICLE MECHANIC DURAL

ComfortDelGro Corporation Australia is the largest private bus operator in NSW. Our subsidiaries, Qcity, Hillsbus, Hunter Valley Buses and Blue Mountains Transit, provide passenger transport services to Queanbeyan and Canberra, Sydney's North West, Hunter Valley and Blue Mountains regions. We are part of an international company with an impressive global footprint and a reputation for providing a safe and reliable public transport network that meets customer and community needs.

### *The Role:*

We are seeking a qualified and energetic Heavy Vehicle Level 1 Mechanic to join our team at our Dural Depot, Hillsbus. Reporting to the Workshop Supervisor, the role requires you to utilise your skills and expertise to repair, replace, maintain, service and test company heavy vehicles and related mechanical/electrical components.

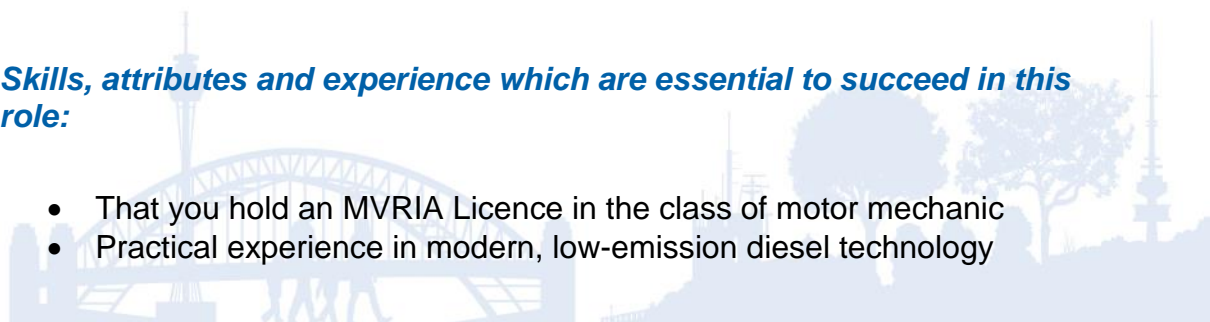

This role is 6 days a week, Monday-Friday with a rotating day on the weekend. Start time and finish times can vary depending on the requirements of the business.

### *Key Responsibilities:*

- Maintain, repair and service a fleet of heavy vehicles and related mechanical/electrical components in accordance with workshop maintenance plan
- Comply with all guidelines and requirements for heavy vehicles
- Completing assigned duties in a safe, clean, competent and timely manner
- Enter accurate information on fleet maintenance software
- Attend to breakdowns/accidents/incidents as required

### *Skills, attributes and experience which are essential to succeed in this role:*

- That you hold an MVRIA Licence in the class of motor mechanic
- Practical experience in modern, low-emission diesel technology

# POSITION VACANT

- Experience in the Heavy Vehicle Inspection process conducted by the NSW RMS
- That you hold either a MR or HR Driver's Licence
- Ability to establish and maintain good working relationships
- Effective communication skills both written and verbal
- Ability to demonstrate basic PC skills
- Ability to adhere to regulations and guidelines

The role represents an opportunity to become a fundamental member of ComfortDelGro Corporation Australia's Engineering Team.
