

**POSITION VACANT**

## Panel Beater/Spray Painter

QCity Transit is part of Australia's largest private bus company ComfortDelGro Australia, with operations in Queanbeyan, Metropolitan Sydney, Blue Mountains, the Hunter Valley and Victoria. We are currently seeking a capable Panel Beater/Spray Painter for our Queanbeyan Depot.

Panel Shop staff are responsible for carrying out body maintenance and repair services to ensure that vehicles operate in a safe, reliable and efficient way and also present professionally. Panel shop staff are required to do this in a manner that abides by the Transport for NSW (TfNSW), Roads and Maritime Services (RMS), Road Traffic Authority ACT (RTA) and the organisation's operational and safety requirements.

Your responsibilities will include:

- Undertake daily vehicle repair and maintenance activities to ensure delivery of services. This could include dent/panel repair and respray.
- Fulfill vehicle preventative maintenance schedules and requirements.
- Maintain vehicle monitoring and reporting systems as required by TfNSW, RMS and RTA (ACT).
- Respond to, investigate and repair vehicle defects as notified by drivers
- Maintain a safe and tidy spray booth and workshop area.
- Work in accordance with safe working procedures and instructions and meet the obligations and ideals of the organisation's Safety Management System & WHS.
- Organise spare parts procurement in line with policy.
- Maintain an MVRIA Tradesperson's Certificate.
- Supervise a trades assistant
- Quoting and assessing accident damage for insurance and repair purposes
- Be available for breakdown and service callouts and on-road incidents as required from time to time.
- Participate in professional development where required
- Ad hoc duties as requested from time to time within skill set

# POSITION VACANT

To be considered for this position you will need:

- MVRIA Licence or appropriate qualification
- Relevant experience in smash repairs & vehicle finishing or equivalent trades
- Ability to interpret legislation, contracts, policy and procedures
- Intermediate computer skills
- High level verbal and written communication skill
- MR or HR Driving Licence advantageous
- Experience in welding and fabrication an advantage
- Ability to work unsupervised but also perform in a team environment

*Applications addressing the selection criteria above should be submitted to the Depot Manager at [stacey.carpenter@cdcbus.com.au](mailto:stacey.carpenter@cdcbus.com.au) or by mail to PO Box 6066, Queanbeyan, NSW 2620*
